Dear friends,
Greetings from Rishilpi family!

We would like to inform you that the EDUCATION SUPPORT PROGRAM has the objective to eradicate illiteracy and promote the education of the poor and disadvantaged children in Bangladesh. The Sponsorship Program started in a very small way in 1989. Today, there are well over 5200 sponsored students enjoying the benefits of education support.

AMAR SONAR PORIBAR (MY GOLDEN FAMILY) is also a Program of ESP for all adolescent girl sponsored students. The main objective of the program is to prevent early marriage of young girls before the age of eighteen and discouraging the use of dowry system. Its purpose is to empower women so that they become independent, self-reliant & lead a sustainable life in their society.

We are pleased to know that you have decided to provide education support to Radha Das # 7917. The family is very grateful and wishes all the best and long life to you.
